

International Conference on MATERIALS AND THERMOPHYSICAL PROPERTIES

November 21-23, 2024

Organized by
Department of Physics, University of Rajasthan, Jaipur
Under the auspices of
RUSA 2.0 Programme & Thermophysical Society of India, Jaipur

Dear Colleagues,

We are pleased to announce the first edition of International Conference on Materials and Thermophysical Properties (ICMTP- 2024) under the auspices of Thermophysical Society of India (TPSI) during 21-23 November 2024 at University of Rajasthan, Jaipur, India. We started with the National conference Series (NCTP) in 1999 and organized 09 NCTPs in different parts of India. Over the years, the NCTP conference has attracted Scientists, academicians, young researchers and students from different parts of India.

Looking forward to knowledge escalation through prolific deliberations and yet another excellent conference experience at the pink city.

A hearty welcome!!

05 November

Registration Closes

CONFERENCE TOPICS

MATERIALS

Polymeric Materials
Multifunctional Materials
Materials for Biological Applications
Materials For Energy Applications
Glass And Ceramic Materials
Materials For Nuclear Applications

PROPERTIES

Thermophysical Properties
Thermomechanical Properties
Thermodynamic Properties
Thermoluminescence
Thermal Stability
Dielectric & Electrical properties
Viscosity & Non-Newtonian Properties

ATTRACTIONS

Young Scientist Award

Best Poster and Oral
Presentation Awards

Accepted Manuscript will
be published in Scopus
Indexed Journal.
